

IMPORTANT NOTICE ABOUT THE CALIFORNIA LIFELINE PROGRAM FROM SEBASTIAN

The California LifeLine Program (California LifeLine) provides discounts on phone services to qualified residential households. This consumer program of the California Public Utilities Commission helps to lower consumers' phone bills. Consumers must be approved before receiving the California LifeLine discounts. For more information on program eligibility, go to <https://www.cpuc.ca.gov/consumer-support/financial-assistance-savings-and-discounts/lifeline/california-lifeline-eligibility>.

ONLY ONE CALIFORNIA LIFELINE DISCOUNTED SERVICE PER HOUSEHOLD IS ALLOWED

Each household must choose to get the discount either on a home phone or on a cell phone, but not on both. Households cannot get the discount from multiple phone companies. Households that do not follow the California LifeLine one discounted service per household rule will lose their discounts, and may be prosecuted by the U.S. government. Individuals can also be punished for giving false information to get the discounts. Penalties can include imprisonment, losing the discounts, monetary fines, and being banned from the California LifeLine Program. The discounts can only be for the primary residence. Discounts are non-transferable from one person to another.

California LifeLine participants may transfer their discounts from one phone company to another, but you may NOT have more than one phone line active with the California LifeLine discounts. If you choose to transfer your California LifeLine discounts from Sebastian to another California LifeLine provider, then Sebastian will charge retail rates for you to continue using your phone service.

If you apply for California LifeLine, you will pay the regular rates for your phone service until your application is approved. To help you pay the up-front costs of establishing your phone service like the service installation/connection fee, service conversion fee, and deposits, you can request to be on an interest-free payment plan. After being approved by the California LifeLine Administrator you will be refunded the difference between the regular rates and the California LifeLine discounted rates for any applicable monthly service charges, service installation/connection fee, service conversion fee, and deposits for your phone service. The refund and the California LifeLine discounts will be retroactive to the date your service began or the date you requested to be enrolled, whichever is later. If your bill has a net credit balance of \$10.00 or more, you may request a refund check from Sebastian. Otherwise, the refund will just be a credit on your account.

You may also qualify for the California LifeLine discounts on a second telephone line if you or another person in your household is disabled and needs a teletypewriter (TTY) when using the phone. To get the 2nd California LifeLine discount you must assert the Deaf and Disabled Telecommunications Program issued the TTY or provide a medical certificate indicating the need for TTY.
